ATTORNEY WAS HOOVER'S CHUM

Once Noted, Dies a Hermit

LOS GATOS — An aged man, who once was a noted San Jose attorney, was found dead in a dingy shack here Sunday where he had lived the life of a hermit for many years.

Elisha D. Corbin, attorney for the old Bank of Italy branch in San Jose in the 1920s, apparently died of natural causes, according to Deputy Coroner Richard Mayne.

Corbin lived in a two-room frame shack at the rear of 274 W. Main St. He was found dead about 4 p.m. Sunday by his landlord Louis O. Prideaux.

Mayne said Corbin, apparently in his 80s, appeared emaciated and had a long flowing beard. He said Corbin was on a mattress that looked like it had been chewed apart by mice or rats. Several old age security warrants were found in the room.

Corbin, who had been in law partnership with the late Leo Archer, was the brother-in-law of long-time San Jose Fire Chief Charles A. Plummer who retired in 1944.

Plummer said Corbin had been a college chum of Herbert Hoover, and that when the former president was defeated in 1932 Corbin "up and quit practicing law."

Mayne said that Corbin then apparently spent most of his money and took up the life of a hermit after several years as a "playboy."

No known survivors have been located. Corbin's wife, Nellie, died in 1928.

Funeral arrangements are being handled by the Chapel of the Hills.

Elisha Corbin funeral Thurs.

Funeral services for Elisha D. Carbin, 88, retired attorney and reported close friend of former president Herbert Hoover, will be held Thursday at 3 p.m. at Chapel of the Hills, followed by private inurnment at Odd Fellows Cemetery, Santa Cruz.

Corbin reportedly gave up a law practice suddenly in 1932 when Hoover was defeated for the presidency and lived the life of a recluse. He was found dead Sunday in a humble two-room cabin at the rear of 274 W. Main St. where he apparently died of malutrition.

He was born in Parkersville, Kan., and was believed to be a fast friend of Hoover since undergraduate days at Stanford. He was an attorney for the old Bank of Italy during the 1920s.

He was widowed in 1928 when his wife, Nellie, died. His brother-in-law is longtime San Jose Fire Chief Charles A. Plummer.

Corbin Funeral Tomorrow

LOS GATOS — Funeral services for Elisha D. Corbin, 88, once attorney for the old Bank of Italy who died a recluse here Saturday, will be conducted Thursday at 3 p.m. at The Chapel of the Hills. Inurnment follows.

A native of Parkersville, Kan., Corbin was prominent in law in the 1920s and reportedly was fast friends with former president Herbert Hoover since their college days at Stanford University.

Corbin's wife, Nellie, died in 1928. His brother-in-law, long-time San Jose Fire Chief Charles A. Plummer, said he gave up his law practice when Hoover was defeated for reelection in 1932.

In his last years, Corbin lived in solitude in a two-room frame shack at the rear of 274 W. Main St. where he was found Sunday by his landlord, Louis O. Prideaux. Coroner's spokesmen said he apparently died of malnutrition. There are no survivors.

One-time attorney dies alone

Funeral services are pending at Chapel of the Hills for Elisha D. Corbin, believed to be about 84, who was found dead of apparent natural causes Sunday in a humble shack at the rear of 274 W. Main St.

He had been attorney for the old Bank of Italy branch in San Jose in the 1920s and had been in law partnership with the late Leo Archer and was the brother-in-law of San Jose Fire Chief Charles A. Plummer who retired in 1944 after many years of service.

His body was discovered by his landlord Louis O. Prideaux after he had not been seen for several days.

A story is told that Corbin had been a college friend of Herbert Hoover and that when the former president was defeated in 1932 Corbin suddenly gave up the practice of law. He had lived the life of a partial hermit here for a number of years.

Coroner's deputies reported he had a long flowing beard and appeared emaciated.

CAMPBELL—Final rites for Mrs. Martha J. Terry, 60, a native of Germany and resident here five years, will be held today in Los Gatos.

Mrs. Terry died suddenly Saturday at her home at 1078 Holmes Ave.

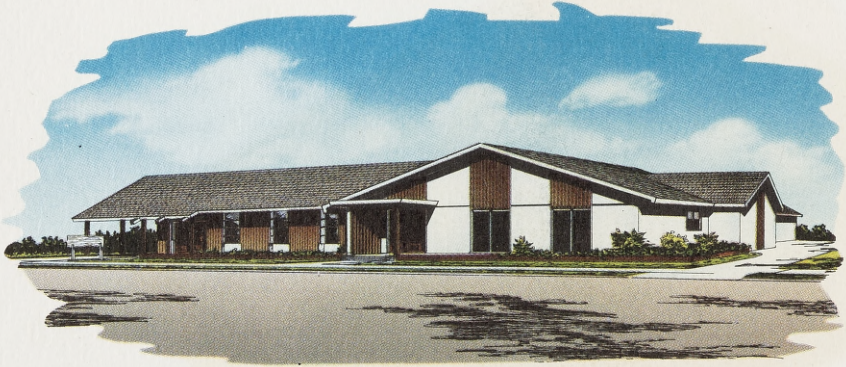
She moved here from Oregon, where she had lived for two years. Prior to that she made her home in the Los Angeles area for 33 years.

She was the mother of Harold Terry of Monterey and Mrs. Jeanne M. Hine of Campbell. She also leaves three sisters.

Martha Terry dies at 60

Funeral services for Martha J. Terry, 60, who died unexpectedly Saturday at her home, 1078 Holmes Ave., Campbell, were held this afternoon at Chapel of the Hills to be followed Wednesday by interment at Forest Lawn Glendale.

She was a native of Germany and is survived by a daughter, Mrs. Jeanne M. Hine of Campbell and a son, Harold Terry of Monterey.



In Remembrance

The Lord is my Shepherd: I shall not want . . .

He maketh me to lie down in green pastures: He leadeth me beside the still waters . . .

He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake . . .

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; Thy rod and Thy staff, they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over . . .

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

Funeral Services Today For Tot Killed by Car

Funeral services will be held today for 4-year-old Vincent Paul Burke Jr., son of Mr. and Mrs. V. P. Burke of 4982 Union Ave., who was killed Sunday when he darted from the curb into the path of a car.

The Burke family was visiting a private residence on S. First street and was about to leave when the boy, playing with his toy pinwheel, ran into the street.

The driver of the car, Leonard L. Gordin, 47, of 15470 Bohlman Ave., wasn't cited. Police quoted witnesses as saying he was driving at a reasonable speed.

Gordin said he felt a bump, stopped and got out of his car. The boy's body was underneath.

The Burkes came to San Jose from Florida just after Vincent's birth. His father is a painter. He was their only child.

Services are scheduled for 2:30 p.m. at Darling-Fischer & Faber's Chapel of the Hills, Los Gatos. Inurnment will be private.

The Lord is my Shepherd: I shall not want . . .

He maketh me to lie down in green pastures: He leadeth me beside the still waters . . .

He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake . . .

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; Thy rod and Thy staff, they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over . . .

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

In Remembrance

The Lord is my Shepherd: I shall not want . . .

He maketh me to lie down in green pastures: He leadeth me beside the still waters . . .

He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake . . .

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; Thy rod and Thy staff, they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over . . .

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

In Remembrance

The Lord is my Shepherd: I shall not want . . .

He maketh me to lie down in green pastures: He leadeth me beside the still waters . . .

He restoreth my soul: He leadeth me in the paths of righteousness for His name's sake . . .

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; Thy rod and Thy staff, they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil; my cup runneth over . . .

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord forever.

L.G. man, 24, dies unexpectedly

A 24-year-old Los Gatos man, with no previous record of heart trouble, dropped dead at mid-day Monday moments after entering a Los Gatos doctor's office.

County Coroner's Deputies reported today following an autopsy that John Carl Geisler, of 15651 Blossom Hill Rd., died of a heart condition. He had felt dizzy and complained of chest pains when he got up that morning, deputies said.

Funeral services are pending at West Valley Chapel.

He had been an employe of Safeway Stores in San Jose for the past two years and was a graduate of Los Gatos High School in 1957.

He is survived by his wife, Karla; a daughter, Cynthia Layne, age 2; his mother, Dorothy Lundquist; a brother, William Geisler and other relatives.

ADM. C. L. ANDRUS

Navy Hospital Chief Succumbs at L.G.

LOS GATOS — Rear Adm. Carlton Leverett Andrus (USN-ret), 75, succumbed to an apparent heart attack in his sleep Monday night at his home here at 15395 Pepper Ln.

His death was discovered Wednesday at about 10 a.m. by a neighbor, Mrs. R. F. Hickox of 15415 Pepper Ln., after she noticed newspapers lying on Andrus' front porch.

Mrs. Hickox notified E. R. Everett of 14771 Bohlman Rd., Saratoga, Andrus' brother-in-law, who entered the home, then notified the county coroner's office.

Andrus was born Feb. 10, 1888, enlisted in the U.S. Navy in 1918 and advanced through grades to the rank of commodore in 1945. He was medical officer of the Third Naval District, and was awarded the Legion of Merit for service during World War II.

During the war, Andrus established the U.S. Navy hospital on Guam, and was instrumental in setting up field hospitals throughout the Pacific theater of operations. He was a fellow of the American College of Surgeons.

Andrus retired in 1950 and came here from New York City to live. His wife, Mrs. Alma Anderson Andrus, died last May 26. A son, Dr. Don L. Andrus of Coral Gables, Fla., and two grandchildren survive.

Services will be conducted by the Rev. Thomas S. Gee Friday at 10:15 a.m. at The Chapel of the Hills here followed by burial in Golden Gate Cemetery, San Bruno.

Mrs. O'Neil Dies; Pioneer Los Gatan

LOS GATOS — Mrs. Anna Rose O'Neil, West Valley octogenarian and the daughter of a well-known Santa Clara Valley architect, is dead at 88. She died Friday at a Sacramento hospital following complications from previous strokes.

Mrs. O'Neil, a native of Chicago, Ill., was the daughter of Frank Lobdell, who designed the Los Gatos Grammar School, which was razed many years ago, and a San Jose State College annex that withstood the 1906 earthquake.

Mrs. O'Neil came to California from Chicago in 1877, where her parents established a general merchandise store in Bodie, now a ghost town. The Lobdells moved to Los Gatos in 1880 and established themselves on a ranch growing prunes. The Jones minature railroad now operates on a portion of the old Lobdell spread.

Mrs. O'Neil was a 70-year member of the Hesperian Rebekah Lodge 70 of Los Gatos. Her home was at 234 Almendra Ave.

Survivors are two sons, Raymond of Los Gatos and Fred of Lebannon, Ore.; a daughter, Mrs. Florence Mischke of Sacramento; two sisters, Mrs. Maude Mabie of San Jose and Mrs. Cora Gaumer of Saratoga; and three grandchildren.

Funeral services will be conducted Monday at 9 a.m. in the Darling-Fischer-Faber Chapel of the Hills, followed by interment at Blossom Hill Memorial Park.

Fall Kills S.C. Woman's Son in Texas

SANTA CLARA — Farrell Blow, 27, son of Mrs. Ruby Blow of 1047 Liberty St., died Thursday in an industrial accident in Odessa, Texas.

The Rev. Asa Collins of the Presbyterian Church of Santa Clara will conduct funeral services Tuesday at 1 p.m. at The Darling - Fischer & Faber's Chapel of the Hills, Los Gatos. Burial follows in Blossom Hill Memorial Park.

Blow, a chemical enginer for Rexall Chemical Corp. research plant in Odessa, apparently lost his footing and fell into an empty vat. Death was said to have been caused by a fractured shoulder which punctured and filled a lung with blood.

Blow was born in Jamestown, N.D., and was graduated in 1958 from Oregon State University in chemical engineering.

Survivors, in addition to his mother, are his wife, Mrs. Nadine Blow; two sons, Kevin, 5, and Vance, 2; a daughter, Tracy, 3; a sister, Mrs. Phyllis George of Santa Clara and a brother, Donald Blow, also of Santa Clara.

Realtor Dies in L.G.-- Veteran Entertainer

LOS GATOS — Carleton R. Wirth, who found real estate more profitable than show business, died of an apparent heart attack Sunday.

He was stricken in an apartment house he owned and lived in at 236 University Ave. He also owned a drive-in restaurant in Campbell. He was 67.

Wirth was born in San Francisco, the son of the treasurer of a San Francisco theater. The family moved to Alaska in 1907 where Wirth's father was night manager for a large saloon.

The family returned to San Francisco and in 1914 he entered the Paul Gerson Dramatic Academy. At 18 he was singing and acting in musical comedies and he worked for D. W. Griffith in Hollywood briefly.

He played in burlesque for a time.

"But then burlesque was clean entertainment, before the days of the bumps and grinds," he said in an interview several years ago.

He married Letty de Guerre, a member of an old San Francisco family that had produced several actors. The Wirths were friends of such theater notables as David Belasco, David Warfield and Sid Grauman.

Wirth served in the Army in both wars and in 1945 moved to Los Gatos. He organized amateur theater groups and was a member of the San Jose Theater Guild.

He was gathering material for a history of San Francisco.

Funeral services will be held at 1 p.m. Wednesday at Chapel of the Hills. Burial will be in Golden Gate National Cemetery, San Bruno.

Young L.G. Musician Killed

LOS GATOS—Thomas Gene Kronzer, former trumpet player with the Nat (King) Cole combo and a 1959 graduate of Los Gatos High School, was killed instantly in a traffic mishap early Thursday morning near his home in Mill Valley.

California Highway Patrol said Kronzer, 23, apparently lost control of his car on a curve on Almonte boulevard near Shoreline avenue at approximately 2:30 a.m. He was returning home from a playing engagement at Goman's Gay 90s in San Francisco.

The Rosary will be recited tonight at 8:30 o'clock at The Chapel of the Hills here.

Funeral services will be conducted at the mortuary Saturday at 9 a.m., followed by Requiem Mass offered in his memory at St. Mary's Church. Burial will be in Blossom Hill Memorial Park.

Kronzer was born Feb. 12, 1941, in Two Rivers, Wis. He lived in Los Gatos 11 years, and was recipient of the Stevens Music Scholarship and the Bank of America Award for Music while a student at Los Gatos High School.

He also was student director of the school band, dance band and choir, and played first chair trumpet in the school's honor band.

He attended San Jose City College and San Francisco State College. He married three years ago, moved to San Francisco, and lived in Mill Valley the past two months.

AIR DISASTER

Release Fee: $300 A Body

By JOHN MIHALAROS
Mercury Staff Writer

Relatives and funeral directors in the San Jose area say they must pay a $300 "release" charge for each of the 85 persons killed Sunday in the Paradise airliner crash near Lake Tahoe.

One San Jose mortuary director, who declined to identify himself, said, "We sent a check for two bodies at $300 each. This covers removal, embalming and getting them ready to ship."

It does not include, he said, the transportation to San Jose where many of the victims live or the funeral costs.

Another director who preferred not to be identified said he understands transportation from Carson City, Nev., to San Jose costs about $30 per victim.

The release fee is being charged by the Capital City Mortuary of Carson City, Nev.

Mortuary owner Beverly Thomas, contacted in Minden, Nev., by the Mercury, confirmed yesterday that he is charging $300 for his services.

Minden is where he has set up an emergency morgue in the community hall.

He refused, however, to give an itemized list of the charges the $300 covers or to say generally what services are included.

He also refused to say who granted his mortuary the franchise to handle the release.

But he did say:

"$300 is not an outrageous price.

"I have 12 embalmers down there working, and I'm paying their board and room too. I hope the people will pay in advance. However, the next of kin could pay later if they wanted to."

Thomas said he has the "franchise" for embalming the bodies. It is not known who granted him the franchise.

He said a state official told him the bodies must be buried or stored in sealed caskets if they were held more than five days.

An unidentified Nevada state official reported the embalming fee would range from $30 to $125 in normal circumstances not involving an accident.

He observed "$300 appears reasonable" in the difficult circumstances of embalming the dismembered bodies.

In San Jose, two funeral directors would not say if they thought the charge "reasonable." A third said, "I don't think the fee is exhorbitant at all."

"There is not a mortuary in the country," he added, however, "that would charge $300 just to embalm."

The FBI identified the bodies, the Red Cross notified the next of kin and military helicopters brought the remains down from windswept Genoa Peak to a road where they could be picked up by Thomas' men.

If Thomas is paid $300 for each body he "releases" at Carson City, he will receive a total of $25,500.

All but two of the bodies have been removed from the high ridge near Genoa Peak in Douglas County, Nevada. Weather conditions yesterday prevented removal to Minden of the last two victims.

Harvey Kermode

Services for Cmdr. Harvey D. Kermode (ret.), 50, of 60 Roberts Rd., Los Gatos, will be conducted Monday afternoon.

The Rev. Thomas S. Gee will officiate at services starting at 12:45 p.m. at Darling-Fischer & Faber's Chapel of the Hills, Los Gatos. Interment follows in Golden Gate National Cemetery, San Bruno.

Kermode was born Jan. 9, 1914, in Ocampo, Chihuahua, Mexico.

He enlisted in the U.S. Navy in 1938, and was a veteran of World War II and the Korean conflict. At the time of the Pearl Harbor attack he was a member of the complement of the USS Enterprise 90 miles west of Oahu. He served aboard the Enterprise five years.

Kermode was decorated with the bronze star as assistant gunnery officer on the Enterprise during the first Battle of the Philippine Sea. He later served as commanding officer of the USS Erben for 22 months in the Korean engagement.

His last assignment was assistant chief of staff for administration with the Western Sea Frontier, stationed at Treasure Island.

Paul Meeker Memorial

SARATOGA — A memorial service will be held today for David Paul Meeker, an aviation pioneer who died Wednesday morning in a San Jose hospital of Hodgkin's disease. He was 51.

Meeker, of 20280 Thelma Ave., embarked on an aviation career as a teenager when he built his own gliders in a small shop in McKeesport, Pa. He became the second registered glider pilot in Pennsylvania and set an altitude record in 1929 at the age of 17.

He had numerous other aviation credits to his record. In 1958 he moved to Lockheed Corp. as liaison engineer in the Air Force Plant Representative's Office, working with the X-A program. Meeker became ill two years ago and retired last summer.

Surviving Meeker are his wife, Mrs. Charlotte F. Meeker; two sons, Daniel and Timothy and two daughters, Kathe and Cynthia Meeker, all of Saratoga.

The Rev. Alfred G. Glass will officiate at the memorial service at 2:30 p.m. today in Saratoga Federated Church. Mr. Glass also will conduct funeral services at 9:30 a.m. today in the Chapel of the Hills. Interment will be in Golden Gate National Cemetery, San Bruno.

D. P. Meeker dies at 51

David Paul Meeker, 51, of 20280 Thelma Ave., Saratoga, an aero-space engineer and pioneer glider pilot, died today at a San Jose hospital after a lengthy illness.

A native of Pittsburgh, Pa., and graduate of the University of Cincinnati in 1940, he flew a single place two-cylinder aircraft in 1933 from New York to San Diego. Also early in his aeronautical career he was the second glider pilot to receive a license in the state of Pennsylvania.

Friends are invited to attend funeral services Friday at 9:30 a.m. at Darling-Fischer and Faber's Chapel of the Hills. Memorial services will be held Friday at 2:30 p.m. at Saratoga Federated Church, Rev. Alfred G. Glass officiating at both services. Interment will be in Golden Gate National Cemetery, San Bruno. Friends who wish may contribute to cancer research.

A Saratoga resident for the past six years, he was an aero-space engineer with the United States Air Force plant, Lockheed, Sunnyvale. Prior to coming here he lived in Ventura County where he was with the Naval Air Missile Test Center at Point Mugu.

He is survived by his wife, Charlotte F. Meeker and sons and daughter Daniel, Kathe, Timothy and Cynthia, all of Saratoga.

David P. Meeker, 51, Aviation Pioneer, Dies

SARATOGA — David Paul Meeker of 20280 Thelma Ave., pioneer glider pilot who advanced in aviation to become liaison aeronautical engineer in the Air Force's X-A program at Lockheed, died early Wednesday morning of Parkinson's disease at a San Jose hospital.

He was 51.

Meeker embarked on a career in aviation when, as a teenager, he built his own gliders in a small shop in McKeesport, Pa. He became the second registered glider pilot in Pennsylvania, setting an altitude record in 1929 at the age of 17.

In the early 1930s Meeker bought a one-place two-cylinder Aeronca monoplane and flew it from New York City to San Diego. His record still holds as the smallest plane ever to cross the Rockies.

His first government assignment came in 1938 when he was an engineer in the structures test laboratory at Wright Field Materiel Command. He earned a degree in aeronautical engineering from the University of Cincinnati in 1940.

During World War II Meeker served in the U.S. Air Force as a major. Upon his discharge he came to California, working with Hughes Aircraft Corp. in LaCanada.

In 1946 he was asked to spearhead the aeronautical maintenance engineering program at California State Polytechnical college. He established the course there, and in 1948 accepted an assignment to the Naval Aviation Missile Test Base at Pt. Mugu as civilian liaison engineer.

In 1956 Meeker piloted the technical division at Edwards Air Force Base, and a year later took a civilian engineer's post at the Naval Ordnance Laboratories in Corona. In 1958 he came to Lockheed as liaison engineer in the Air Force Plant Representative's Office, working with the X-A program.

Ill health forced his retirement two years ago.

Meeker is survived by his wife, Mrs. Charlotte F. Meeker, two sons, Daniel and Timothy, and two daughters, Kathe and Cynthia Meeker, all of Saratoga.

The Rev. Alfred G. Glass will conduct funeral services Friday at 9:30 a.m. at Darling-Fischer & Faber's Chapel of the Hills. Interment is planned in Golden Gate National Cemetery, San Bruno.

At 2:30 p.m. Friday, Reverend Glass will officiate at memorial services for Meeker at Saratoga Federated Church.

A Birthday Party Death-- $100,000 Suit

A tragic birthday party May 7 for seven-year-old Lenee Ann Peterson, 20681 Leonard Rd., Saratoga is the basis of a $100,000 wrongful death suit in Superior Court.

The child's parents, Kenneth L. and Olive Peterson, and her sisters and brother Lynn, Aletta and Brian Peterson, brought action against Mr. and Mrs. Irving Frankel, 14792 Vickery Pl.

The complaint said Lenee Peterson was invited to attend a birthday party at the Frankel residence. During the festivities she fell into the Frankel swimming pool and drowned. The pool was not properly supervised to avoid the accident, the Petersons claimed.

CAR CRASH VICTIMS

Funeral Rites Pending For L.G. Mother, Son

LOS GATOS — Funeral services are pending here for the young San Jose mother and her seven-year-old son who were victims of a Bayshore Freeway traffic collision late Tuesday afternoon.

Mrs. Janet Mary Johnson, 29, of 5172 Vera Ln., died instantly when the car which she was driving swerved out of control and was struck in the rear by an oncoming auto about 700 yards north of Hellyer avenue.

Ken Michael, one of Mrs. Johnson's three sons who were passengers in the vehicle, died shortly before 1 a.m. Wednesday at San Jose Hospital. James, 5, and John, 4, remain hospitalized in critical condition.

Mrs. Johnson was born Dec. 15, 1934, in Hartford, Vt., and was a graduate of University Avenue School here and of Los Gatos High School in 1953. Ken Michael was born Oct. 29, 1956, in San Jose.

Also surviving Mrs. Johnson are her husband, Robert (Don) Johnson, an IBM employe; her eight-year-old daughter, Jane, who was not with her mother and brothers at the time of the accident; her parents, Mr. and Mrs. Harry Handley of Tracy; her sister, Mrs. Arlene Burns of Campbell, and her brother, Harry Handley Jr., with the U.S. Navy in San Diego.

Ken Michael's paternal grandparents, Mr. and Mrs. Walter E. Johnson of Los Gatos, also survive.

Arrangements are by Darling-Fischer & Faber's Chapel of the Hills.

S.J. Mother of 3 Killed in Crash

A 29-year-old San Jose mother was instantly killed and her three sons were badly hurt yesterday afternoon when their car went out of control on Bayshore freeway and crashed with an oncoming auto.

The mishap occurred about 5 p.m. four-tenths of a mile north of Hellyer avenue.

Dead is Mrs. Janet Johnson, wife of Robert D. Johnson, an IBM employe, of 5172 Vera Ln.

Two of the couple's youngsters, Jimmy, 5, and Kenneth, 9, were taken unconscious to San Jose Hospital where both were in critical condition with head injuries last night.

A third boy, John, 4, suffered severe scalp lacerations.

According to Highway Patrol Officer Richard Fitzgerald, there were several witnesses to the crash but no one could account for its cause.

Traffic was moderate and there were no vehicles traveling in front of the woman's southbound sedan when it went into a broadside skid and swerved across the divider strip, Fitzgerald said.

Her car spun into the northbound slow lane where it was struck in the rear by an auto driven by Harold J. Botill, 53, of 383 Walnut St., Gilroy.

Mrs. Johnson was partially ejected through the back window. She and her children had to be pried from the vehicle.

Botill was treated for an elbow laceration and released from the hospital. The accident is still under investigation.

She received her teaching credential from San Jose State Normal School in 1922 and was assigned to Summit school in September of the same year.

TAUGHT IN ONE-ROOM SCHOOL

Retired Teacher Olga Brecke Dies

LOS GATOS — Miss Olga M. Brecke, 63, of 103 Broadway, who retired 15 months ago after devoting 41 years to teaching grade school children in the Summit-Loma Prieta area, died Saturday night at a convalescent hospital here.

Miss Brecke was born June 11, 1901, in Milton, N.D., a farming community 26 miles below the Canadian border. She attended the state teachers' college at Valley City a year before coming to California.

She studied for her teaching credential at San Jose State Normal School in 1922, and was assigned to Summit School on the divide in September of that year. All eight primary grades were represented in her first class.

For 30 years she was teacher, principal, nurse and custodian in the little red one-room Summit School. Then, in December of 1949 Summit School was merged with three other one-room schools to form Loma Prieta Joint Union Elementary School District.

Included were Highland and Hester Creek Schools, both in Santa Cruz County, and Burrell School. The following April Miss Brecke was appointed the first principal of the newly fashioned district.

At her retirement, Miss Brecke estimated she had devoted a conservatively estimated 45,000 hours in the classrooms. She closed out her career teaching 27 third graders at Loma Prieta School.

Miss Brecke was to have embarked on a post-retirement South Seas cruise at the first of the year when a teacher friend was to obtain her sabbatical leave, but illness cancelled the trip.

Darling - Fischer & Faber's Chapel of the Hills is in charge of pending arrangements.

None survives.

Plane Crash Kills One, Hurts Three

A businessman from Los Gatos was killed and three persons injured yesterday when their light plane crashed as they arrived at a Lake County airport for a fly-in.

The businessman, William Murl Frye, 30, of 16623 Shannon Rd., Los Gatos, president of Williams Hotel Inc., was the pilot.

Authorities in Lake County reported he was killed instantly when the Moony Mark 20 single-engine craft cartwheeled into a pond, then hit the side of a hill and burned at Hoberg's Airport.

Frye's passengers were his wife Bernice, 31; Lincoln High School teacher, Michele A. Chiechi, 31, of 14900 Shannon Rd., Los Gatos; and his wife Janice, also 31.

All three were reported in good condition at Lakeside Hospital near Lakeport. Hospital attendants said their injuries were minor — superficial burns and lacerations.

The two couples had reservations at Siegler Springs Resort, about a quarter-mile from the airport. The fly-in was being held by the California Council of Aviation Assns.

Memorial Rites Due Plane Crash Victim

LOS GATOS—Private graveside services for William Murl Frye, 30-year-old Los Gatos businessman who perished in the flaming wreckage of his light plane Saturday near Lakeport, will be conducted Wednesday at 3 p.m. at Oak Hill Memorial Park.

Memorial services are planned Wednesday at 7:30 p.m. at Calvary Baptist Church. Arrangements are being handled by Darling-Fischer & Faber's Chapel of the Hills.

Frye was born Jan. 29, 1934, in Michigan. He was president of Williams Hotels Inc., 330-D Village Ln., in partnership with his brother-in-law, William Wathow.

Frye, of 16623 Shannon Rd., was participating in a California Council of Aviation Assns. fly-in to Lakeport with his wife, Berniece, 31, and friends, Mr. and Mrs. Michele Chiechi, both 31, of 14900 Shannon Rd., Saturday.

Frye's wife and passengers survived the crash with superficial burns and scrapes.

According to eyewitness reports, Frye was uncertain whether the landing gears had locked in place after being let down upon his approach to the airport near Siegler Springs Resort.

He sought to make another pass but failed to clear a clump of trees on a mountain top. The craft cartwheeled, came to rest upside-down and caught fire. Frye was reportedly killed immediately.

In addition to his wife, Frye is survived by two children, Kary Lynn and Mark, and his parents, Mr. and Mrs. Burl Frye, all of Los Gatos.

The Holy Rosary will be recited Wednesday evening at 8 p.m. in the above named chapel.

Engineer, musician

Stanley Page dies at 79

Stanley Henry Page, 79, 15931 Matilija Dr., Los Gatos, mechanical engineer, internationally known developer of motors, early pilot and meticulous recorder of Montalvo concerts, died Monday afternoon at a Los Gatos hospital following a long illness.

His extensive career in engineering included development of the Liberty Engine used in World War I airplanes and the design of a new type engine used in pipe organs. He was a member of the Early Birds, an organization of pioneer American airplane pilots and was one of the first men to fly in the State of California.

Mr. Page, included in "Who's Who in the West," was born in San Francisco and lived in Los Gatos for 41 years. His home became a reflection of his career. There he equipped a dynamometic laboratory for experimental work and about ten years ago he built a sound proof addition containing two grand pianos and extensive professional type recording equipment. He owned a famous large pipe organ.

He was a member of the American Guild of Organists, a member of the board of directors of Montalvo in charge of recording and a member of San Jose Symphony Association board. His acquaintances included musical artists and painters throughout the world.

He was born March 2, 1885 and was a student at Massachusetts Institute of Technology from 1906 to 1908. During 1908 and 1909 he was a draftsman for Service Union Gas Engine Co., Oakland. This company later became Union Diesel of which he was a part owner.

During the next decade he moved from testing and service to a post in charge of design and development during which time he was responsible for the Liberty Engine. He later became vice president of Union Diesel and became head of the engineering department in 1940. In 1942 and 1943 he was head of the engineering department of Joshua Hendy Iron Works, Sunnyvale.

He was a life member of the American Society of Mechanical Engineers, a member of the Society of Automotive Engineers, Sigma Chi Club and Saratoga Men's Club. He was also author of engineering manuals.

Rosary will be recited Wednesday at 8 p.m. at Chapel of the Hills. Requim High Mass will be sung Thursday at 10 a.m. at St. Mary's Church followed by burial at Madronia Cemetery, Saratoga.

He was the husband of Catherine E. Page, the brother of the late Charles R. Page of San Francisco and the uncle of Charles, John R., Edward B., Stanley and Thomas S. Page, all of San Francisco.

Sports Car Overturns, SCU Student, 20, Dies

LOS GATOS — A 20-year-old University of Santa Clara student died early Monday when the sports car in which he was riding flipped over.

Rennie John Bozzini, 16298 Oleander Ave., died of head and chest injuries suffered when the vehicle lost its left rear wheel coming down Blossom Hill road at about 11 p.m.

Driver of the car, Winfield Baker, 21, of 16235 Short Rd., Los Gatos, was not injured.

The careening car shot across the center line when the wheel spun off. It bounced about 280 feet, came back into the westbound lanes, then flipped over on the passenger side after ramming the curb east of Camino del Cerro.

The boys had been bowling.

Bozzini's parents, Mr. and Mrs. George J. Bozzini, said the youth had undergone surgery recently for a ruptured spinal disc. He had returned to classes just a few weeks ago.

Young Bozzini was a native of San Francisco and is survived by his parents, a brother Anthony of Los Gatos, and grand-parents Mr. and Mrs. John Bozzini and Mrs. Anna Lischeske, all of San Francisco.

A Rosary will be recited tonight at Darling-Fischer & Faber's Chapel of the Hills at 8:30 o'clock. Funeral services will be held Wednesday with a Requiem High Mass to be celebrated at 9 a.m. at St. Mary's Church. Burial will follow in Golden Gate National Cemetery, San Bruno.

Miss Strange dies at 72

Funeral arrangements are pending for Miss Mary Ann Strange, 72, of 207 Edelen Ave., Los Gatos, who was found dead Saturday afternoon in her home. Arrangements are being handled by Chapel of the Hills.

Miss Strange, who was released from a hospital about one month ago, had a history of diabetes and heart trouble, according to Robert Gilbert, acquaintance who notified Los Gatos Police. Santa Clara Coroner's report is pending.

Miss Strange was found slumped over the divan by Mr. and Mrs. Gilbert. When Mrs. Gilbert phoned Miss Strange and received no answer, Mrs. Gilbert and her husband went to Miss Strange's residence to see if something was wrong. Gilbert had to pry open the screen door in order to get in after he received no response from loud knocking.

A. L. Erickson, former councilman, dies at 86

Andrew Lawrence Erickson, 86, an early Los Gatos contractor, a councilman from 1920-1924 and pioneer volunteer fireman, who lived all but two months of his life here, died Sunday at a local convalescent hospital.

Funeral services will be held Wednesday at 1 p.m. at Chapel of the Hills, under auspices of Los Gatos Lodge 292 F&AM, followed by burial in Los Gatos Memorial Park.

Born in Santa Clara March 23, 1878, he moved with his family, May 7, 1878, to Los Gatos where his father, John Erickson, became the town's first wheelright at 280 E. Main St.

Young Erickson became a contractor, constructed his home in 1909 at 9 Central Ct. and was inspector for the present Town Hall, built in 1913. He was a contractor for 40 years.

He was the last survivor of the old volunteer fire fighting system which consisted of two rival departments, separate organizations competing to be called first to fires. Rivalry frequently flared into water fights at town picnics, Erickson recalled to the fascination of younger citizens. He was a fireman when the local department acquired the La France fire truck, now a relic in Memorial Park.

Mr. Erickson joined Los Gatos Masonic Lodge in 1906, was a past noble grand of Los Gatos Ridgely Lodge 294, IOOF, and was a charter member of Santa Clara County Amellia Club.

Surviving are his wife, Mrs. Bessie L. Erickson; sons, Lawrence Erickson Jr. of Seaside, Joseph E. Erickson of San Jose; daughters, Mrs. Luella Rudolph of Los Gatos, and Mrs. Donald Goodrich of Santa Rosa; a sister, Hulda Erickson of Los Gatos and four grandchildren.

Former Los Gatos Councilman Dies

LOS GATOS — Andrew Lawrence Erickson, a self-employed Los Gatos contractor for 40 years and twice a town councilman in the early 1920s, died late Sunday afternoon of heart disease at a convalescent hospital here.

He was 86.

The Rev. Robert N. Boswell of the First Methodist Church of Los Gatos will conduct funeral services in addition to Los Gatos Lodge 292, F&AM, rites Wednesday at 1 p.m. at Darling, Fischer & Faber's Chapel of the Hills.

Erickson will be buried in Los Gatos Cemetery.

He was born on March 23, 1878, in Santa Clara, but came to Los Gatos as an infant with his parents, and lived here the balance of his life.

Erickson's father, John Erickson, was the first wheelwright in Los Gatos, establishing his shop at 280 E. Main St.

The younger Erickson built his home here at 9 Central Ct. in 1909, and resided there all his life. He was the last surviving volunteer fireman of the old Los Gatos Fire Department, and served as inspector of the present Town Hall when it was built in 1913.

Erickson served on the Town Council from 1920 to 1924. It was during his tenure in office that the town purchased its first fire engine, a hard rubber-tired LaFrance which today is a fixture in Oak Meadow Park.

As a contractor, Erickson was instrumental in building such edifices as the estate mansion of Dr. Harry L. Tevis, philanthropist and retired physician of Alma who died in 1931. The home since has become an integral part of Alma College.

Erickson also built the old carriage house at Villa Montalvo, now used as a theater.

He was a member of Los Gatos Lodge 292, F&AM, since 1906, and was a past noble grand of Ridgely Lodge 294, IOOF, in Los Gatos. He also was a charter member of the Santa Clara County Camellia Club.

Erickson is survived by his wife, Mrs. Bessie L. Veteran Horseshoer Dies

LOS GATOS — Alfred J. Guttormsen of 16341 Hicks Rd., who shod horses and mules throughout the county more than 40 years, died early Tuesday night at a Palo Alto veterans' hospital after a long illness. He was 68.

Masonic rites will be accorded at funeral services Friday at 1:30 p.m. at The Chapel of the Hills here, conducted by Los Gatos Lodge 292 F&AM. Burial follows in Los Gatos Cemetery.

Guttormsen was born Feb. 6, 1894, in Collinsville, Calif., and came to the San Jose area from San Francisco in 1907. He had lived here since with the exception of 10 years' service with the U.S. Department of Interior in Sequoia National Park.

He plied his trade all that time, going from farm to ranch and shoeing animals.

A veteran of World War I, he served as a corporal with the 316th Engineers' Headquarters detachment in France.

Among his affiliations were San Jose Barracks 10, Kaweah Lodge 665 F&AM of Woodlake, Los Gatos Camelherders, Scottish Rite Bodies of San Jose, Islam Shrine of San Francisco, and Bartenders' Union Local 577.

Survivors are his wife, Mrs. Edna C. Guttormsen of San Jose; two brothers, Bart Guttormsen of Carson City, Nev., and Stanley (Steamboat) Guttormsen, a former professional boxer of San Jose, and three sisters, Mrs. Bertha H. Parker and Mrs. Bernice Feehan, both of San Jose, and Mrs. Emma McNamara of Portland, Ore.

GUTTORMSEN—of San Jose, California, Jan. 1, 1963. Alfred J. Guttormsen, beloved husband of Edna C. Guttormsen of San Jose. Dearest brother of Bart Guttormsen of Carson City, Nev., Stanley Guttormsen, Mrs. Bertha H. Parker and Mrs. Bernice Feehan, all of San Jose, and Mrs. Emma McNamara of Portland, Ore. A member of San Jose Barracks No. 710, Kaweah Lodge No. 665 F&AM of Woodlake, Los Gatos Camel Herders, Scottish Rite Bodies of San Jose, Islam Shrine of San Francisco, and the Bartenders Union, Local No. 577. A veteran of World War I, a native of Collinsville, California. Age 68 years.

Friends are invited to attend funeral services at The Darling Fischer Faber Chapel of The Hills, 615 N. Santa Cruz Ave., Los Gatos, on Friday, Jan. 4, at 1:30 P.M.

A. J. Guttormsen dies at 68

Alfred Julius Guttormsen, 68, a traveling horseshoer for many years throughout Santa Clara County, died Tuesday at Palo Alto Veterans Hospital of a heart ailment after an extended illness.

Masonic funeral services will be conducted by Los Gatos Lodge 292 F&AM at 1:30 p.m. Friday at the Chapel of the Hills. Burial will be in Los Gatos Cemetery.

A native of Collinsville, he came to this area as a boy in 1907 from San Francisco. He lived at 16341 Hicks Rd., Blossome Hill area, at the time of his death.

He was a veteran of World War I, serving as a horseshoer and attached in France to the 316 Engineer's Headquarters Detachment. Except for ten years horseshoeing, between 1937 and 1947, at Sequoia National Park, he lived most of his life in Santa Clara Valley. Recognizable to many horse owners by his western boots and hat, he mounted his equipment on a truck and took his services to his clients.

Besides his wife, Edna C. Guttormsen of the family home, he is survived by two brothers, Bart Guttormsen of Carson City, Nev., Stanley (Steamboat) Guttormsen, long-time Los Gatos mountain resident now of San Jose, and three sisters, Mrs. Bertha H. Parker and Mrs. Bernice Feehan, both of San Jose, and Mrs. Emma McNamara of Portland, Ore.

He was a member of San Jose Barracks No. 710, Kaweah Lodge No. 665 F&AM of Woodlake, Los Gatos Camel Herders, Scottish Rite Bodies of San Jose, Islam Shrine of San Francisco and Bartenders Union, Local No. 577.

New York Funeral For Blacksmith

LOS GATOS — Walter Rumsey, 90, of 15658 Blossom Hill Rd., a retired blacksmith, died Saturday night at a hospital here after a protracted illness.

Funeral services are scheduled for Feb. 20 in Rochester, N.Y., and burial will be in Riverside Cemetery there. Darling, Fischer & Faber's Chapel of the Hills is handling interim arrangements.

Rumsey was born on July 8, 1874, in Wedgewood, N.Y. He worked as a blacksmith for 40 years for the American La-France Fire Equipment Co. in Elmira, N.Y. He had lived here only two years.

A widower since 1944, Rumsey is survived by a nephew, Col. Bernard J. Drew, and a great-nephew, Stephen J. Drew, both of Los Gatos, and by several cousins in New York.

Retired fire truck builder dies

It can be assumed that Walter Rumsey, 90, retired Elmira, N.Y. blacksmith who died here Saturday worked on the first mechanized Los Gatos fire truck and the old engine that is now a part of the children's play yard at Oak Meadow Park.

Mr. Rumsey, who lived for two years with his nephew, Col. Bernad J. Drew and his wife, 15658 Blossom Hill Rd., was employed for 40 years by the America La France Co. of Elmira, makers of fire engines.

Los Gatos acquired its first engine in 1914 amid sharp charges of extravagance by horse-drawn vehicle adherents. Los Gatos Council added a 1927 America La France engine to the department.

Other survivors are Mr. Rumsey's great-nephew, Stephen J. Drew of Los Gatos, and numerous cousins in New York. He was a native of Wedgewood, N.Y.

Funeral services will be held Feb. 20 in Rochester, N.Y. Friends may call at Chapel of the Hills.

My Jesus have mercy on the Soul of

MARGARET ELIZABETH MORRIS

O gentlest heart of Jesus, ever present in the Blessed Sacrament, ever consumed with burning love for the poor captive souls, have mercy on the soul of Thy departed servant. Be not severe in Thy judgment but let some drops of Thy Precious Blood fall upon the devouring flames, and do Thou O Merciful Saviour send Thy Angels to conduct Thy departed servant to a place of refreshment light and peace. Amen.

May the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

Merciful Jesus grant eternal rest.

'Cyclist Killed Donning Coat

A young motorcyclist who tried to put on a jacket at 40 miles an hour and a middle age man trying to walk the Monterey road in San Martin both ended up in the morgue at County Hospital last night.

The California Highway Patrol reported Robert Gerald Painter, of 14515 Holly Dr., was heading north from Calero Reservoir when he fell from his skidding cycle on McKean road.

The new motorcycle struck a stopped car which had been moving in the opposite direction.

Painter was not wearing a crash helmet, the CHP reported. He was pronounced dead on arrival at County Hospital.

Funeral Tomorrow For Motorcyclist

Funeral services for Robert Gerald Painter, 23-year-old motorcyclist who suffered fatal injuries in a mishap Sunday night on McKean road, will be conducted tomorrow at 2 p.m. at Darling, Fischer & Faber's Chapel of the Hills in Los Gatos.

Pastor Hugh Olson of the Eastside Church of Christ will officiate. Burial is planned in Los Gatos Memorial Park.

Painter, of 14515 Holly Dr., was pronounced dead on arrival at County Hospital.

Witnesses told the California Highway Patrol the victim was donning his leather jacket while traveling at an estimated 40 miles an hour. The machine skidded out of control and slammed into a car. Painter, who was not wearing a crash helmet, was thrown from the bike.

Painter was born in Portland, Ore., on Feb. 10, 1942, and lived in the San Jose area since 1952. He had been intermittently employed as a stagehand the past two years.

Survivors are his mother, Mrs. Hazel Baron of San Jose; his sister, Mrs. Leo Vinzant of Red Bluff; two brothers, James Painter of Hollywood, and Larry Painter of San Jose; his paternal grandmother, Mrs. Kate Painter of Portland, and his maternal grandfather, James A. Lane of Abilene, Tex.

Boy Injured Critically-- Mysterious

SARATOGA—David Burt, 13, of 12533 Palmtag Dr., was badly hurt Wednesday morning in an accident involving a milk truck near his home.

He was reported in "very serious" condition and unconscious last night at O'Connor Hospital with a skull fracture.

Deputy John Burleson said the driver, Charles Evans, 35, of Vanderbilt Dr., was apparently unaware of the accident.

Burleson said the lad may have fallen from the rear of the vehicle after attempting to hitch a ride.

Mrs. Marion Logan, of 12534 Palmtag Dr., was just opening her garage door across the street when she looked up and saw the boy flying to the pavement behind the truck.

Evans' vehicle was disappearing around the corner when Mrs. Logan caught up with the driver and informed him of the accident.

Hurts Prove Fatal For Youngster

SARATOGA — Thirteen-year-old David Maclay Burt died early Friday afternoon at a San Jose hospital of head injuries sustained the day before when he fell from a delivery truck in front of the family home here at 12533 Palmtag Dr.

Sheriff's deputies investigating the accident theorized the boy may have fallen from the back of a milk truck after attempting to hitch a ride Thursday morning. He suffered a fractured skull.

The Rev. Roy W. Strasburger will conduct funeral services at 12 noon today at St. Andrew's Episcopal Church here. Private burial follows in Oak Hill Memorial Park.

Darling, Fischer & Faber's Chapel of the Hills is in charge of arrangements.

The youth was born on Dec. 11, 1951, in San Jose. He had just been graduated from the seventh grade at Miller School in Cupertino School District. He was a member of Boy Scout Troop 414.

Lillian Mirassou Rites Wednesday

SARATOGA — Funeral services for Mrs. Lillian Margaret Mirassou, 38, of 20780 Kittridge Rd., who was struck down on Highway 1 shortly before midnight Friday, will be held Wednesday at 11 a.m. at Darling, Fischer & Faber's Chapel of the Hills, Los Gatos.

Burial follows in Madronia Cemetery here.

Mrs. Mirassou, wife of Ambroise Mirassou, noted West Valley agriculturist and businessman, apparently was attempting to hail a passing motorist when she was struck by an auto driven by a 20-year-old Anaheim man.

The accident happened on U.S. Highway 1 roughly 10 miles south of the Hearst Castle at San Simeon. It was witnessed by Mrs. Mirassou's 15-year-old daughter, Lindemar.

The family was in the process of moving to Cambria Pines in San Luis Obispo County, where Mirassou has quarry interests. He is the owner of Sunset Rock Co. on Tully road, and the Cambrian Rock Quarry.

Mrs. Mirassou was born on April 17, 1927, in Oklahoma, and had lived in California since 1931. She resided in Saratoga the past four years, and held membership in the Campbell Business & Professional Women's Club.

Surviving in addition to her husband and eldest daughter are two other daughters, Claudette and Celeste, and her mother, Mrs. Lorena Hunter of San Jose.

Nevada Rail Pioneer's Granddaughter Dies

MONTE SERENO — Mrs. Eleanor Yerington Breuner, 70, a granddaughter of H. M. Yerington, superintendent of the historically famous Virginia & Truckee Railroad of early day Nevada, died shortly after noon Thursday at her home here at 17401 El Rancho Ave.

The Rev. Roy W. Strasburger of St. Andrew's Episcopal Church, Saratoga, will conduct funeral services Saturday at 2 p.m. at Darling, Fischer & Faber's Chapel of the Hills in Los Gatos.

Inurnment is planned in Los Gatos Memorial Park.

Mrs. Breuner was born in Virginia City, Nev., on May 23, 1895. While she was still an infant, she moved with her parents to the family home in Carson City, Nev., the home office of the Virginia & Truckee.

She was sent to attend the exclusive Castilleja School for Girls in Palo Alto, was graduated from there in 1914, and on Nov. 30, 1917, was married in Carson City to John Breuner Jr., manager of the large San Francisco furniture firm.

The couple was divorced in 1930. She stayed in San Francisco until 1948 when she moved to Honolulu to reside with her daughter, Miss Jean Breuner, now of Monte Sereno. She lived there eight years before coming here.

Mrs. Breuner had been ill the past three years. She died of cancer.

Surviving in addition to her daughter are her son, John Y. Breuner of San Jose; three grandchildren, and two sisters, Mrs. C. Y. Mouton of San Francisco, and Mrs. David J. Welsh of Oakland.

DEFINITION OF FETAL DEATH

Fetal death is death prior to the complete expulsion or extraction from its mother of a product of conception, (irrespective of the duration of pregnancy); the death is indicated by the fact that after such separation, the fetus does not breathe or show any other evidence of life such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles.

Fetal death is required to be registered if the 20th week of gestation has been reached.

Obituaries

Young Oxnard Man Dies After Grunion Hunt

A young Oxnard man died early this morning, a few hours after friends roused him from sleep to go grunion hunting.

He is Jon Eric Medler, 23, of 323 Santa Monica Ave., an engineer at Port Hueneme.

Two friends, Richard S. Fujihawa and Kenneth Koshimoto, both of 5401 Perkins St., Oxnard, told police they roused Medler from his sleep about 11 p.m. yesterday and convinced him to go grunion hunting.

They said they went to the Mandalay Beach Road area until about 1 a.m. When they returned to the car, Medler collapsed in the back seat, they said, and fell unconscious.

They raced to Oxnard Community Hospital.

The coroner's office said it would perform an autopsy today.

He is the son of Capt. Dan M. Medler, Los Gatos.

Funeral arrangements are being made by James A. Reardon Mortuary, Oxnard.

LOS GATOS—Jon Eric Medler, 23, son of Mr. and Mrs. Dan M. Medler of 18570 Blytheswood Dr., succumbed to a heart attack early Saturday morning near Oxnard while on a grunion fishing trip with two companions.

Medler late last Friday night accompanied two friends to Mandalay Beach to catch grunion, a small surf fish. He collapsed in the back seat of their car and was rushed to Oxnard Community Hospital where he was pronounced dead on arrival. Coroner's spokesmen said he had a history of heart trouble.

Medler's father recently retired after 35 years' service as a Trans-World Airlines pilot. He also is survived by a brother, Anthony I. Medler of Los Angeles.

E. G. Gorman will officiate at graveside services Wednesday at 10 a.m. at Los Gatos Memorial Park here. Darling, Fischer & Faber's Chapel of the Hills is in charge of arrangements.

For the past nine months he had been a civilian employe at the U.S. Naval installation at Pt. Hueneme.

Doctor Charged With Abortion

A doctor in Tijuana, Mex., has been arrested on charges that he performed a fatal illegal abortion on the daughter of a Campbell woman.

The physician, Dr. Fausto Avina Araiza, 51, denied the charges.

He was arrested on a complaint signed by Mrs. Jane Sullivan, 52, of 746 Kenneth Ave., Camapbell.

Mrs. Campbell said her daughter, Kathleen, 23, died in a San Diego hospital this week of complications which resulted from the abortion. Miss Campbell was a nurse.

Mrs. Sullivan said she paid Araiza $400 to perform the operation in Mexico. Dr. Araiza was arrested at his office.

Medic Held In Campbell Girl's Death

Abortion Fatal For Nurse

A Campbell woman who says she paid $400 for her daughter's abortion in Mexico has signed a complaint against a doctor following the girl's death.

Mrs. Jane Sullivan, 52, 746 Kenneth Ave., said her daughter, Kathleen 23 died in a San Diego hospital this week of complications resulting from the abortion. The girl was a nurse.

Dr. Fausto Avina Araiza, 51, was arrested in Tijuana on the complaint. He denied performing the abortion.

Private funeral services for Miss Sullivan were conducted yesterday in Campbell at the Darling, Fischer & Faber Chapel of the Hills. Burial was in Los Gatos Memorial Park.

Mrs. Sullivan claimed she paid Araiza $400 to perform the operation in Mexico.

Miss Sullivan was born in San Pedro on March 31, 1942, was graduated from Campbell High School in 1960, and earned her registered nurse's degree from St. Francis Hospital School of Nursing in 1963.

She worked in the cancer research center of the University of California hospital for a year, and had been on the nursing staff at Los Gatos Community Hospital until about four months ago.

Surviving in addition to her mother, a first grade teacher at Payne School in the Moreland district, are her brother, Tim Sullivan of Woodland; her maternal grandmother, Mrs. Hanna Hinch of Davis, and three uncles — Glenn Hinch of San Francisco, Kenneth Hinch of Davis, and Melvin Hinch of Eureka.

Her father, Arthur C. Sullivan, a security policeman at Food Machinery Corp., died in 1957.

To the Receiving Funeral Director:

We hope to learn that the accompanying body arrived at your mortuary in as good condition as it was upon shipment.

We will be glad of a word from you, as we are always interested in hearing from old friends and in making new ones among the profession.

PAL CRAWLS TO SAFETY

S.J. Youth Killed In Yosemite Fall

YOSEMITE — A 13-year-old San Jose lad on a hiking trip with a companion on precipitous Ledge Trail slipped and fell 400 feet to his death Saturday afternoon.

The dead youth, Ron Hayes, son of Mr. and Mrs. Richard Hayes, 2029 Willister Ave., was hiking toward Glacier Point with a friend, Bob Archibald, 13, also of San Jose, when the accident occurred. Rangers said the trail has been officially closed for five years.

The two boys were visiting the scenic park with Hayes's father, who did not accompany them on the hike.

During a telephone interview last night Assistant Chief Ranger Fred Martischang said the boys stopped to drink from a stream and both slipped. Hayes rolled down a 20-foot slope and then vanished over a cliff toward the valley 1,200 feet below. Archibald managed to cling to rocks and pulled himself to safety.

He called for his friend, received no answer, and ran for help. Seven rangers and park physician Dr. Paul Morris, aided by a helicopter, searched until dark but could find no trace of the boy.

The search was called off due to darkness, but the body of the lad was found while rangers were working their way back toward the trail. Attempts were being made late last night to retrieve the body.

In San Jose last night Hartford Archibald of 2681 Leigh Ave., father of Hayes' companion, Bob, said the two boys enrolled as freshmen at Camden High School.

MACGRAW—In Palo Alto, Dec. 10, 1965, Frank Moss MacGraw. Loving husband of Mrs. Lorena R. MacGraw of San Jose. Father of Dr. Frank M. MacGraw of Portola Valley and Mr. Dorsey A. Beasley of Milbrae, Grandfather of Kathleen and Gary MacGraw and Stephen and Linda Beasley. A member of the West Valley Post No. 158 American Legion, the Winchester Barracks No. 3157 and the San Jose Barracks No. 710. A native of New York City, New York. Age 82 years.

Friends are invited to attend funeral services at the Darling, Fischer and Fabers Chapel of the Hills, 615 N. Santa Cruz Ave., Los Gatos on Tuesday, Dec. 14 at 11 a.m.

Friends who wish may contribute to the Frank MacGraw Memorial Fund c/o American Legion West Valley Post No. 158.

Frank MacGraw Dies; Long-Time Attorney, Broker, Veterans Leader

LOS GATOS — Frank Moss MacGraw, 82, of 5150 Elester Dr., a retired attorney, tax examiner and insurance brokerage executive, succumbed to a heart attack Friday morning at the Palo Alto Veterans' Administration Hospital.

MacGraw simultaneously was intensely active in the affairs of veterans' organizations, many times serving as American Legion post and Veterans of World War I barracks commander in San Jose and the West Valley.

His activity carried into his illness. He had been receiving sporadic hospital treatment since last March, and was hospital chairman for the patients at the VA facility in Palo Alto when stricken.

MacGraw was born on Nov. 13, 1883, in New York City, and was graduated from New York University. He came to California in 1911, and obtained his degree in law from the San Francisco Law School.

During World War I he served as a captain in the intelligence division of the U.S. Army. He was intelligence officer for the Southern California border district and trial judge advocate for the 16th Division general court.

In the capacity of business executive, he was successively president of the Coast Development & Construction Co., agency manager for Western States Life Insurance Co., vice president and general manager of Imperial Silica Sands Corp., and general consultant and expeditor for San Jose Movers & Riggers Inc.

MacGraw was special auditor and tax examiner when California began levying a State income tax, and was auditing investigator for the War Production Board and Office of Housing Administration during World War II.

He is responsible for marshalling the Civil Defense organization in San Mateo, and was a past Civil Defense co-ordinator for the Los Gatos area.

MacGraw also was known as a bank expert and systems analyst, setting up revised banking procedures prior to World War II in the Territory of Hawaii.

A man of unflagging patriotism, MacGraw held all the key offices in San Jose Barracks 710 of Veterans of World War I, and was instrumental in chartering Winchester Barracks 3157 of that organization here.

He also served several times as commander of West Valley Post 158 of American Legion, and had just completed a term as first vice commander.

He is survived by his wife, Mrs. Lorena MacGraw; his son, Dr. Frank M. MacGraw Jr. of Portola Valley, and a granddaughter and grandson, Kathleen Claudia MacGraw and Gary John MacGraw, both of Portola Valley.

Services are pending at Darling, Fischer & Faber's Chapel of the Hills in Los Gatos.

Travel Agent Dead; Blame Auto Fumes

SARATOGA—The body of a 47-year-old travel agent was found in the family car in the closed garage at his home Monday noon, an apparent suicide victim.

Charles B. Foster, 20100 Bonnie Brae Wy., had closed the garage doors and opened the windows of the sedan, then turned on the engine, a coroner's office investigator said. The auto fumes were fatal.

His wife, Geraldine, last saw him about midnight before retiring. She discovered his pajama-clad body lying across the front seat.

He left no notes and apparently had not been despondent, Mrs. Foster said.

Services are pending at the Chapel of the Hills, Los Gatos.

Artist George Dennison Dies at 93; Rites Held

LOS GATOS—George Austin Dennison, 93, of Alma Bridge road, versatile artist and artisan, and former superintendent of horticulture at the 1915 San Francisco International Exposition, died early Saturday morning at a hospital here.

Private inurnment services were conducted Monday morning at Los Gatos Memorial Park. Darling, Fischer & Faber's Chapel of the Hills handled the arrangements.

Dennison was born in New Boston, Ill., on Nov. 20, 1872, and lived in California since 1911. He teamed with Frank Ingerson in many artistic endeavors including design and interior decoration of the 65-room Bliss mansion in Santa Barbara.

He also co - designed the Samarkand Hotel there.

Dennison was accomplished in oil painting, but diversified his talents to include gold and silversmithing, ceramics and enamels, leather working, weaving, sculpting, and cabinet making.

Dennison and Ingerson toiled 19 months in the design and execution of the 3,000-pound Ark of the Covenant for Temple Emanu-El in San Francisco, a work that entailed bronze and gold repousse, old cedar and jewel-encrusted enamel.

Dennison and Ingerson also showed interest in the theater arts. Active in dramatic and musical productions, they helped the career of Olivia de Havilland and started the Alma Trio on its way to international success.

Dennison's ingenuity and persistence helped him perfect an art not known since ancient Greece, that of sculptured enamels. It took him 15 years to work out the process, as the Greeks left no formula.

Dennison never married. He is survived by his niece, Miss Ferne Dennison Farver of Los Gatos, and his nephew, George Farver of Pacifica.

George Dennison, famed artist, dies

By LLOYD E. SMITH

George Dennison of the world recognized and beloved artist team of Ingerson and Dennison, of Los Gatos, is dead. He passed away March 26 at the age of 93, after an extended illness. He and his life-long friend and partner, Frank Ingerson, maintained their studio-home for 55 years at Cathedral Oaks in the hills above the little hamlet of Alma, which now lies at the bottom of the waters of Lexington reservoir.

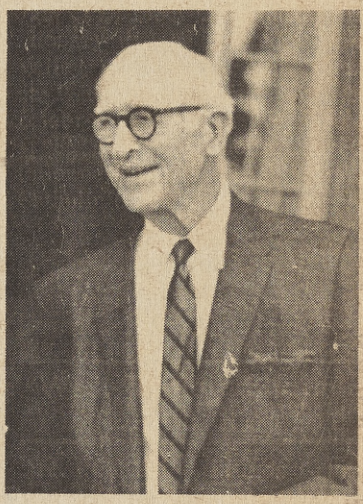
It is difficult to think individually of these two great masters of artistic creativity, and it is therefore almost impossible to write of one without including the other. They were inseparable as friends and as co-workers. One was as famed as the other and together they had no superior in their versatility and excellance in the fine arts.

"There is no way other than by a voluminous biography to recount all the accomplishments of Dennison and Ingerson: painters of the highest caliber, expert gold and silversmiths, past masters of ceramics and enamels, leather workers, weavers, sculptors, interior decorators, expert cabinet makers — men whose talents encompass the entire field of art."

That's what Clover Cumming wrote of them on the occasion of their last public exhibition of some of their work, at Villa Montalvo, in January 1963. Now in making an attempt to write something adequate without consuming columns of space, proof of the truth of his words becomes exposed once again.

They formed their partnership in 1911, traveled widely achieving world-wide fame, then returned to Los Gatos where they lived and worked quietly, always creating, and never seeking publicity and often refusing it.

Dennison was superintendent of horticulture for the San Francisco Exposition in 1915. He later perfected an art not known since Ancient Greece — that of sculptured enamels. Since the Greeks left no formula, he spent 15 years working out the process. A most famous art piece in this media was a horsehead on which Dennison worked over a period of nine years. The sculptured enamel was fired 125 times.



George Dennison

Dennison and Ingerson designed the famous Bliss estate in Santa Barbara and decorated the mansion's 65 rooms. They also designed the luxurious Samark and Hotel in that city.

In the 190s, hundreds of thousands of words in the world press described what is generally accorded the pair's greatest work — the Ark of the Covenant for Temple Emanu-El in San Francisco. Built in London after long travels to study Jewish art and history, the two artists spent 14 months completing the project. It weighs 3000 pounds, consists of bronze, gold repouse, old cedar and jewel-covered enamelling. The Ark is almost 10 feet high.

Dennison, with Ingerson, gave freely of their artistic talents in community activities. Active locally in dramatic and musical productions, they helped to launch the career of Olivia de Havilland, and in the early 1940s started the now famed Alma Trio on its way to international success.

Dennison was born in New Boston, Ill., on Nov. 20, 1872. During the past several years his niece, Ferne Dennison Farver, kept house at Cathedral Oaks for her uncle and his long-time friend and partner. Another survivor is George Farver, a nephew residing in Pacifica.

Inurnment followed cremation this morning. Arrangements were in charge of Los Gatos Chapel of the Hills.

Pioneer S.J. Bus Operator Dies

'NICK' LOCICERO

SARATOGA—Nicholas (Nick) Locicero, 83, who initiated the first automobile stage run between San Jose and San Francisco during World War I, died Tuesday afternoon at his home here at 20271 La Paloma Ave.

Requiem Mass will be offered in his memory at 10 a.m. today at Sacred Heart Church here by the Rev. Gerald J. Geary. Entombment follows in Santa Clara Catholic Cemetery.

Darling, Fischer & Faber's Chapel of the Hills, Los Gatos, is in charge of arrangements.

Locicero was born on July 5, 1883, in Palermo, Sicily, and came to the United States in 1907, settling initially in Los Gatos. He worked as a laborer for nine years before learning the barbering trade and opening a shop in San Jose.

In 1916, just after the Panama Pacific Fair, he started the Pacific Auto Stage Lines by investing in an old Overland touring sedan and personally shuttling soldiers from San Jose to San Francisco. The fare was $1 plus eight cents tax.

Locicero leased property in San Jose at 199 N. Market St. as a garage and repair shop. He enlarged his operation the following year, despite experiencing a $6,000 loss the first year, by forming a partnership with Floyd W. Hanchett.

Locicero and Hanchett invested in a fleet of 20 Pierces and Packards, each with a capacity of 14 passengers. They established an hourly departure schedule, later increasing it to departures on the half hour. Hanchett managed the firm's San Francisco office and Locicero was in charge of the San Jose office.

In April of 1922 the firm was incorporated as Pacific Auto Stages Inc., with Hanchett as president, and Locicero as vice president. They operated their San Jose depot at the same location as the stage station that was operated in the 1850s when horse-drawn coaches maintained a daily San Jose-to-San Francisco schedule.

Intra-urban runs also were taken on under the partnership, and the familiar canary-yellow touring sedans could be seen loading and discharging cannery workers as shifts changed at the many plants then in operation in San Jose and Santa Clara.

When the depression struck, Locicero's investments were hard hit. He eventually was forced to dispose of his equity in 1930, and the line ultimately was acquired by Pacific Greyhound.

Locicero then assumed control of all the concessions at the bus depot from 1930 until his retirement in 1944.

He met his wife, Miss Elsie Cristina, in San Jose, and they were married on Feb. 4, 1913. The couple observed their golden wedding anniversary three years ago.

Locicero also is survived by his son, Richard Locicero, a Saratoga druggist; his daughter, Mrs. Lucille Silveira, also of Saratoga; four grandchildren; three great-grandchildren; a brother, Andrea Locicero of San Jose; four sisters in Italy and Brazil, and by his nephew, Vernon J. Cristina of San Jose, former chairman of the Republican County Central Committee.

Los Gatos Doctor, 92, Jayhawker's Son, Dies

LOS GATOS—Dr. Lorenzo L. Stephens, 92-year-old descendant of pioneer immigrants to California from Illinois, died Saturday at his home here at 15904 Cherry Blossom Ln., climaxing an illness of two months.

Funeral services and entombment are planned in Seattle, Wash. Interim arrangements are being handled by Darling, Fischer & Faber's Chapel of the Hills, Los Gatos.

Stephens was the native son of Lorenzo D. Stephens, Santa Clara Valley rancher and a member of the famed Jayhawker party that crossed Death Valley in 1849.

The elder Stephens was with a band of 36 men who left their homes in Illinois to seek gold in California. They took the route through Death Valley, nearly perishing before ascending the Panamint Range and reaching the San Fernando Valley.

Stephens wrote "Life Sketches of a Jayhawker of '49," published in San Jose seven years before his death in 1934.

Dr. Stephens was graduated in 1899 from the old Cooper Institute, forerunner of Stanford Medical School, and was a pioneer in the field of radiology. He practiced in Seattle for many years, returning here in 1955, a month before the death of his wife, Maud.

Surviving are a son, L. Dow Stephens of Yakima, Wash., and two grandchildren.

William MacLaughlin

Retired Executive Drowns

The body of a retired savings and loan executive was found at the bottom of the swimming pool at his Saratoga home Wednesday evening, the victim of an apparent accidental drowning.

Mrs. Roberta McLaughlin of 15136 Via Colina told investigators she was entertaining a friend while her husband, William, 65, was swimming. She said she heard her husband in the pool, then heard him in their sauna bath and finally heard a splash as he dived back into the pool.

After a short time, when she heard no more sounds from the pool area, she went to the back yard and spotted her husband's body at the bottom of the pool.

She dived in fully clothed but was unable to lift his body to the surface.

A resuscitator crew from Central Fire District's Quito station was called to the home and firemen Les Berta pulled McLaughlin's body from the water.

Firemen said McLaughlin did not respond to resuscitation and was pronounced dead on arrival at Los Gatos-Saratoga Community Hospital.

McLaughlin was president of Pioneer Investors Savings & Loan Association when he retired in 1956. He spent 17 years with the association in San Jose, first on the board of directors and then as president. The association later merged into American Savings & Loan Association.

He is survived by his wife and two sons, William Jr. and Robert McLaughlin.

Mrs. McLaughlin was taken to Good Samaritan Hospital this morning, where her condition was described as "serious."

Neighbors said Mrs. McLaughlin suffered from asthmatic and heart troubles.

Autopsy Results Due in Drowning

SARATOGA — Results of a coroner's autopsy are under analysis in the accidental drowning here Wednesday night of William Hughes McLaughlin, retired president of Pioneer Investors Savings & Loan Association in San Jose.

McLaughlin, 65, was found at the bottom of the swimming pool of the family home at 15135 Via Colina.

His wife, Mrs. Roberta H. McLaughlin, was hospitalized the following morning under extremely heavy sedation, and remains in "poor to critical" condition.

It was Mrs. McLaughlin who discovered her husband's body Wednesday evening while she was entertaining a guest. She said he had taken alternating trips between the sauna bath and the pool, and she heard a splash as he dived into the pool, then silence.

She dived in fully clothed but was unable to retrieve his body, she said. A resuscitator crew from the Central Fire District's Quito station responded to the scene but was unable to revive the victim.

McLaughlin was pronounced dead on arrival at Los Gatos Community Hospital. Darling, Fischer & Faber's Chapel of the Hills, Los Gatos, is handling funeral arrangements.

McLaughlin was president of Pioneer Investors Savings & Loan Association's San Jose main office when he retired in 1956. He had devoted the prior 18 years to the firm in San Jose, initially on the board of directors and later as president.

Following a merger, the firm assumed its present name—American Savings & Loan Association.

McLaughlin was born on May 8, 1901, matriculated at Ohio State University, and was graduated from the University of California at Berkeley.

He was a founder of the Pacif if Motor Transport Co., which was later acquired as a subsidiary of the Southern Pacific Co.

In the early 1930s he acquired the San Jose Building & Loan Co., changed its name to Pioneer Savings & Loan, and was instrumental in its growth to the largest holding company in Northern California at the time of its sale.

McLaughlin was a regional director for the Boy Scouts of America, a member of the Sainte Claire Club, a former vice president of the San Jose Kiawanis Club, and a member of the Commonwealth Club of San Francisco.

Also surviving are sons Robert H. McLaughlin of San Jose, and William H. McLaughlin Jr. of Carmichael; a daughter, Miss Elizabeth McLaughlin of Lafayette; seven grandchildren, and two sisters—Miss Annis McLaughlin of San Francisco, and Mrs. Betty Kley of Lafayette.

Drowned L.G. Man's Rites Set

SARATOGA—Private services will be held today in Los Gatos for William Hughes MacLaughlin, 15135 Via Colina, retired savings and loan executive who drowned last Wednesday in his home swimming pool at the age of 65.

The funeral will be held at Darling, Fischer and Faber's Chapel of the Hills. Burial also will be private.

MacLaughlin's wife, Roberta, made an unsuccessful attempt to pull her husband from the deep end of the swimming pool in which she found him. She has been in Santa Clara County Hospital since Thursday.

MacLaughlin was president of the Pioneer Investors Savings & Loan Association when he retired in 1956. He spent 17 years with the association in San Jose, first on the board of directors, than as president.

The company later merged into American Savings & Loan Association.

MacLaughlin was a regional director of the Boy Scouts of America, a member of the Sainte Claire Club, a former vice-president of the San Jose Kiwanis Club and a member of the Commonwealth Club of San Francisco.

He was a native of Emmetsburg, Iowa.

Survivors include Mrs. MacLaughlin; two sons, William H. MacLaughlin Jr. of Carmichael and Robert H. MacLaughlin of San Jose; his mother, Mrs. Elizabeth MacLaughlin of Lafayette; two sisters, Miss Annis MacLaughlin of San Francisco and Mrs. Betty Kley of Lafayette; and seven grandchildren.

HEADON IN MONTE SERENO

Crash Trio Identified

Three persons killed late Saturday night in a headon crash in Monte Sereno have been identified as James Lawrence Major, 51, of 19672 Braemar Dr., Los Gatos, his wife, Marian, 44, and John Dugan, 28, of 12295 S. Highway 85, Saratoga.

Major was the vice president of the northwestern division of the Frito-Lay Co.

A witness said the crash occurred when the car driven by Dugan swung out to pass on a two lane section of the Los Gatos-Saratoga road, and collided headon with the Major sedan near Rose avenue. The accident occurred just before the beginning of a four lane stretch of highway.

"I didn't think there was enough distance between them to pass safely," said the witness, Gary McKee of 16450 Bonnie Ln., Los Gatos.

He had slowed down in order to avoid the wreck.

It took firemen nearly three quarters of an hour to free the bodies from the wreckage.

Services for the Majors are pending at the Chapel of the Hills. Final rites for Dugan are pending at the Lima-Salmon-Erickson Mortuary.
